#### UPCOMING EVENTS!

Divisional Trainer - May 28 (??)

DCM - May 29 1:00 PM

MS Walk- May 21

# Be Kind To Animals Week

This is my cat Frankie. He likes to sleep.

How many of you own a dog, cat, fish, bird, horse, snake, rabbit, or lizard? I'm willing to bet most of you have a pet of some sort that you love to death. They're part of the family, right?

Now take a minute to think of all those furry little creatures out there that don't have a home, that don't have someone to greet at the door everyday.

It may seem like not much can happen in a week, but we've got to start somewhere. May 15 through May 21 is Be Kind to Animals Week, and I challenge all Key Clubbers to make the most of this week!

I'm not asking you to adopt a few new kittens from the Animal Shelter, but I am asking you take your dog for a walk on one of the many beautiful Montana evenings.

For those who are willing to take it a step further, encourage adoption of shelter animals rather than the purchase of pets from the pet store or convince a friend to finally spay or neuter his dogs and cats.

And hey, it doesn't stop with pets. This may be a stretch for some, but stop before you step on that spider in the kitchen. Grab a tissue and gently release it back into the wild (or ask your brother to do it!).

One week may not change the world, but you might be changing the life of one animal!

More CMR Key Clubbers helping to keep CMR beautiful in honor of Earth Day! Good Work! The Earth thanks you!

# This and That

Great Falls High Key Club President Caiti Cayer's dad recently returned home from serving in Afghanistan, but while he was still across seas, he needed some good ol' American coffee! Great Falls High collected coffee and Kiwanis sent it over! The Red Horse Squadron got their caffeine, and Great Falls High got this beautiful picture and flag back. Thank you to all veterans, current soldiers, and their families!

## International Convention

I am sorry to inform that the 2011 Montana adventure to International Convention in Phoenix has been cancelled due to a lack of interest in attendees.

The situation is especially unfortunate for all those who sent in the registration. You may still attend if you can find your own way down there!

This year may not have worked

out, but now we have whole year to fundraise for next year's ICON! Start now, and by next summer, the whole trip will be covered!

Also, start talking up next year's trip now and often. We don't want a repeat of this year!

service in their communities. Since the
