What's New in Division 2

Back to School

Really? Back to school already?

Doesn't this happen every year? We just get used to our summer routines when our schedules arrive in the mail.

Going back to school offers a few positive things, however.

Meeting new friends, taking new classes, and setting new goals are just a few.

This year, I have a Key Club goal for everyone in Division 2: take a look at the number of

service hours you performed last year. This year, add ten hours to that number. That's about one hour a month.

Even if you're super busy every month of the school year, one hour a month can make a big difference.

Just think of how many people you can affect in ten hours. Ready, set, go!

ELIMINATE

\$1.80

That's how much it costs to save woman's life from maternal and neonatal tetanus.

This disease is 100% preventable, yet it claims the lives of thousands of mothers and babies every year.

UNICEF and Key Club have decided to do something about it.

For just three doses of a \$0.60 vaccine, a woman and her unborn children will be saved from this fatal disease.

Next time you go to drop \$0.75 in the vending machine, stop. What else could that change go towards?

DO YOUR PART

Youth Opportunities Fund

Got a project that needs an extra boost?

Well Key Club International is here to help!

The Youth Opportunities Fund provides grants to deserving clubs with projects that need some help. The grants range from \$100 to \$2000 and any Key Club can apply!

Apply soon because all applications are due by October 15th.

Here's the link for the application:
