

## August Newsletter

### Important Upcoming Events

Trainer:

I have been in touch with the clubs, and would just like to remind all of you about our Trainer coming up soon.

I would also like to remind you that we do need a count on how many people are coming with each club.

### Membership

- Membership is also a big problem in our district. I myself don't go to a large school, and Key Club isn't everyone's favorite activity. So bring your friends to meetings with you and have fun with your service. Do anything you can to increase your clubs membership in the next year.

### Activities

As of now Butte Centrals first service activity is the M.S. walk on September twelfth. They formed a team called "Teachers Pets," that include the Butte Central Builders Club and Staff from the Butte Central schools. The team finished second in our local walk last year, and fifth in the state raising three thousand three hundred and thirty four dollars for M.S.

I would also like to be update on other clubs service activities in order to list them on the newsletter.

# As Division 3's Lt. Governor

This next year I really want our division to grow strong and build unity. The number of service projects this year is increasing greatly. I would love if every school could do all of them. However starting small is the only way to achieve a big goal. If every club will put forth their hardest work this year I think we can reach further than ever before and really rock out at the next divisional convention.

If any club needs help I am always open to help you. You can reach me on my phone 593-3083, or with the lieutenant governor e-mail [ltgovdiv3@mtkeyclub.org](mailto:ltgovdiv3@mtkeyclub.org).

## Service Project

- Special Olympics

## Activities

As of now Butte Centrals first service activity is the M.S. walk on September twelfth. They formed a team called "Teachers Pets," that include the Butte Central Builders Club and Staff from the Butte Central schools. The team finished second in our local walk last year, and fifth in the state raising three thousand three hundred and thirty four dollars for M.S.

## Communication

- Communication between clubs is what we need to get this division up and running again. Communication doesn't need to happen just with me. Communication happens by contacting me and or another president if you wish. By contacting other presidents the clubs can exchange ideas, and provide solutions to problems.

## Meetings/keeping in touch

- Monthly club meeting by myself will be held. (Hopefully)
- Reporters reports and secretary reports will be due every month (including the summer) please and Thank you.
- Weekly Phone calls from and for Presidents will help a great deal.
- And our Division will have an organization that we will pick in order to help for this year. It can be something like the Special Olympics, or something else, and I will be in contact with my officers who will spread this information.
