Tori Houle  
2009-2010 Lt. Governor of Division Eight

## About Me

Hi, I am Tori Houle and I was currently elected as the new Lt. Governor of division eight. I am currently a sophomore in high school in Columbia Falls High School.

I am in no sports but I am the wrestling manager in the winter for our wrestling team. I am in NHS and in Key Club (of course!)

I have been in Key Club for the two years I have been in high school. But I was first introduced to the K-family in the seventh grade.

My sister came back from Youth Conference and told me how much fun she had. So I started to look around and I found a builders club in my Junior High. So I got involved right away.

When I came in as a freshman I was elected as the freshman representative for the year.

After I went to YC that year I decided to run for President of my club. I got President and served my club. We have had our ups and downs as every other club but we have had a lot of fun this year.

I have had a lot of fun serving my term as the Columbia Falls High School's President. I can't wait to serve all of you as the new Lt. Governor for Division eight.

# My Goals for 2009-2010

This year I have had decided on three major goals for this year in Key Club.

My first goal is to get our great division more involved. Our division is strong but we need to get more involved in District events. So I plan on doing this by getting our and seeing my clubs as much as I can so I can tell you what is going on in the District level of Key Club.

I believe that this will work by my second goal which is communication. I believe that this will work both ways from me and my clubs. I plan on communicated by phone and by emails. Then the most important is to come and visit you in person with my club visits.

My third goal is to start two new club's which they are both located in Kalispell but at the two different schools in the Kalispell area. Me and the past Lt. have been working on getting a club started at Glacier and we have already got one of the Kiwanis Club's to sponser there club.

Now all I need to do is contact the principal in Glacier and find a good Faculty Advisor and a new board for there new club.

The second club is located at Flathead High School in Kalispell. This school has already had a Key Club but they haven't had one since the two schools split.

The advisor at Flathead High School is anxious on getting their Key Club back up and running.

I think by starting the two new clubs' it will help with the rest of my goals. I am so excited and am ready to work hard for all of my club's.

building

# INTERNATIONAL CONVENTION

Last year I was so lucky to go to International Convention at Denver, Colorado.

Going to an International Convention was the most amazing experience of my life and I hope that all of you get that experience sometime in your life.

Just so you kind of get a little example the first night the actual convention started I was coming down the elevator and before I was even to the floor of the Meet and Greet all I heard was yelling.

As I got out of the elevator I heard 1200 teens yelling for one thing and that is Key Club. It was a real eye opener to see that Key Club is really an international organization.

Unfortunately we didn't have enough people to go on a tour because our numbers were so low. So this year I would love to go to International Convention with a tour in front of that great experience.

The tour this year would be from June 24-July 7. The convention would run from July 1-4. The tour would take

off from Billings, Montana on June 24. The tour will consist of white water rafting, horse back riding, Six Flags, convention, and a whole bunch of shopping!

This convention is going to be a memorable experience to anyone who attends this great convention. The cost is \$1200 but you can fundraise starting right now.

The cost is split into three deadlines to go on this trip with Key Clubbers from across Montana. Each deadline is \$400 dollars each. The dates are on the 15<sup>th</sup> of each month from April to June.

I encourage all of you to join in on this special trip.

## CONVENTION Schedule

- June 24 Leave Billings 7:30 am Yellowstone National Park Motel in W. Yellowstone
- June 25 On the Bus Motel in Rifle, Co
- June 26 Whitewater rafting in Glenwood Springs, Co Motel in Denver
- June 27 Elitch Gardens Amusement Park – Denver Motel in Denver
- June 28 On the Bus Motel in Roswell, NM
- June 29 Carlsbad Caverns Motel in Abilene, TX
- June 30 Six Flags over Texas Motel in Dallas Area
- July 1 Dallas – Convention Begins Convention Hotel
- July 2 Convention, Convention Hotel
- July 3 Convention, Convention Hotel
- July 4 Convention ends Motel in Dallas Area
- July 5 On the Bus Motel in Trinidad, NM
- July 6 To Denver Water world Water Park Motel in Denver
- July 7 Home to Billings 5:00 pm

KEY CLUB

# Trainer for Board's of Division 8

Set your date on your calendar for June 15, 2009 for our trainer for the new incoming boards of 2009-2010.

What a trainer is, is a place set up for me (your Lt) to train the incoming boards. But, we also have ourselves a lot of fun.

I will send all of you invitations as soon as I get all of the election reports. The trainer will be at Columbia Falls High School in Room 110.

I believe it will start at 1:00 and end around 7 or 8. I can't wait to see what my club's have in store for their year in Key Club.

## What you Need?

- Notebook
- Paper
- Pens/Pencils
- Positive attitude
- And of course your brains

## Speakers:

When I get a some more speakers I will let you know who they are so you can come and listen to them speak.

## Gov. Project

### Going Green U.S.A!

Going Green U.S.A is the Governor's Project for the year of 2009-2010.

What this is, is we are going to start making our homes, schools, and communities a better place.

Pick up Garbage, start a recycling program, plant trees, and just support the our Governor in her new project.
