Division 6 Service Projects

Lewistown – The year is coming to an end but Lewistown stayed strong with its commitment to fundraising and service. Taking part in activities such as powder puff football (where girls play ball and guys cheer); and even having an ice cream social after cleaning up the community and making the spring a brighter time for everyone.

Bozeman – Key clubbers here are participating in outdoor activities such as cleaning up the school grounds and working hand in hand with the local food bank. Other services include helping the March for Babies, an effort to make everyone's lives better in a fundraising effort for mothers and children alike. They even have

Division 6 Progress

Changes are Coming

As many of the officers begin their new roles as officers I feel I must cover a few points to make this year the most productive yet.

- Bi-Monthly internet meetings will be a must for all Presidents and Vice Presidents. (don't worry...they won't be too long)
- Reporters Reports will be due every month (including summer) from all of the clubs. Please and Thnx.
- Bi-weekly Phone calls for my Presidents.
- Lastly our Division will have an organization that we will pick for this year. Whether it be to help the state, Special Olympians, or any other worth cause will be known in the next few weeks and I will be in contact with my officers who will spread this information.

INTERNATIONAL KEY Club!

International Convention!!

SERVICE

The Mighty Montana District of Key Club International is getting ready for its annual Tour to the International Convention. This year it will be held in Dallas. TX. It is not too early to begin rising funds for this once-in-a-lifetime trip, so start asking your Key club, sponsoring Kiwanis club and local businesses for assistance. Most important of all, ask your parents; they can be your best resource. Remember to also make arrangements with your summer employer, if applicable, to take off two weeks during the summer. The trip runs from June 24th through July 7th. Space is limited and there has been a lot of interest in this year's trip, so please contact Mary Brady immediately if you are thinking of going. Attractions may be added or removed depending upon the number of Key Clubbers that signs up. Mary can be reached at 654-1553 or bradylady2@yahoo.com Deadlines for non-refundable installments of 1/3 each (\$400) are April 15, May 1, and June 1.

District Goals!

Communication

- Communication between clubs is what we need to get this division up and running again.
- Increased communication happens by simply contacting me or another president if you wish, and exchanging ideas/providing solutions to problems.

Membership

-Membership is also a big problem in our district because we simply do not have enough members to function as a well oiled group. Do ANYTHING you can to increase next years membership.

Name – Your Name here.
Title – Please contact me if you have an officer position, and I have not reached you.

These include
Helena High, Helena Capital,

Please send me a list of officers if you are from one of these areas, because I am having difficulty finding you.
