2009-2010 Lt. Governor of Division Eight

## What's Going On?

Hey Guys! I can't believe that school is only two weeks away! YIKES! I really don't know what to do!

July for me has been about working. It seems to me that all I have done since I got back from the International Tour was working and Key Club (of course.) Just trying to keep up on all of my duties. Summer throws all the club's off because no one is here. It even throws off on the District Board.

I have four things I will like to be pushing:

- Rally: September 27
  - ✚ This rally will be for everyone in your club. It will be held in Whitefish and we will be doing a scavenger hunt (this will be driving around.)
- Youth Conference: November 13-15

✚ This is also for everyone in your club. Please push this very hard. I would love it if you all attended.

Note: We will be doing "Sticky Governor" so bring some extra cash for that.

- District Convention: March 7-9
  - ✚ For right now I am just going to tell you to come and vote on the new district board.
- International Convention: July 7-10
  - ✚ This is going to be so much fun! Start fundraising right now and join Key Clubbers from across Montana on a tour across America!

Hope you all have a great couple of weeks preparing for school.

Secretaries and Reporters remember that your summer report is due September 10, 2009. Get those in please. I hope to see you all very soon!
