REPORTERS

This is a message for the reporters of the Montana Key Clubs.

As bulletin editor it is my job to read all of your reports so I can stay up-to-date with what you guys are doing in your home clubs. There was a report due on April 10th but

do to some confusion between clubs and changing officers I am giving you until May 10th to get those reports in. Reports turned in after May 10 will be considered late.

Reports are due the 10th of every other month so since I am giving you guys until May 10th to get reports in, the next report will not be due until July 10th. And then again on September 10th and it will continue going every other month.

CLUB OF THE MONTH

Each month in my term as Bulletin Editor I will be choosing a club of the month based on the reports I get from clubs throughout the state.

The club I have chosen this month has done an amazing job serving their home, school, and community. One of the projects that they have done really made me glad to have this club in the Montana district.

A few of the members from this club went to "the lodge" a rest home in their home town, and they played cards as well as sat with many of the residents and just talked with them.

The reporter of this club stated, "it was quite neat hearing some of their stories and getting to know them as well."

That's why the club of the month for the month of May is CMR in Greatfalls, Montana.

Congratulations your club has done an amazing job, keep up the good work!

The board of this club includes,

Ria French as president, Phil Churchill as vice president, Sara Estes as treasurer, Tess Bryan as secretary and Ashley Brooks as reporter.

Be on the look out for next months club of the month!!

END MESSAGE

Thank you all for the hard work you are doing in your home clubs. I hope that as summer is near that you will not stop serving your homes, schools, and communities. Remember just because the school year end doesn't mean that key club ends, so please don't stop doing what we Key Clubbers do.....

SERVE!

Yours in caring and in service
