A Note From The Editor

“Every new beginning comes from some other beginning’s end.” This time of year is all about the new year for Key Clubbers! While the school year is winding down we all need to remember that the Key Club Year is just beginning. DCON was amazing, and I for one had a ton of fun. This time brings forth a new board...but unfortunately that means the retiring of last years. They were a great group of people, and look for “A Tribute To...” on page 2. This is also a time for service! This is the season for Children’s Miracle Network and the new governor’s project, Greenpeace USA. The summer will surely slow things down, but remember to keep on serving!

DCON: An End, A Beginning, A Great Time

Those of you who made it to DCON this year saw how great it was, but for those who couldn't I'm sorry to say... You really missed out. From start to finish, DCON was a blast!

“A Tribute To...”

Last year's board really was a great bunch of fun and exciting people. They will surely be missed. DCON's awesomeness was thanks to these guys! They pushed project life even farther than thought and created stronger K Family bonds.

New Board!

Governor - Amanda Bryant (Miles City)

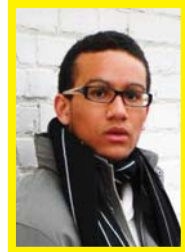

Secretary - Marina Hansen (Glasgow)

Treasurer - Eric Hemphill (Columbus)

Lt. 1 - Denver Twist (Hamilton)

Lt. 2 - Evan Sherman (Great Falls)

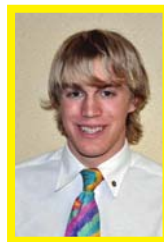

Lt. 3 - Kevin Cox (Butte)

Lt. 4 - Ryann Dolezal (Billings)

Lt. 5 - Samuel Viall (Miles City)

Lt. 6 - Jon Ruff (Bozeman)

Lt. 7 - Ashley Booker (Havre)

Lt. 8 - Tori Houle (Columbia Falls)

Governor's Project: Greenpeace USA

Greenpeace is a non-government organization that focuses on protecting the environment in a nonviolent manor. Founded in 1971 in Vancouver, British Columbia, it now has a worldwide presence with offices in more than 30 countries. You can help out your community and your world to make it a better place. For some great ideas you can use visit the website at www.greenpeace.org!

Spotlight on Clubs

Each MonKey will feature a club that has really stood out. This could be for a single project, or for multiple. To apply for this, e-mail me at treasurer@mtkeyclub.org!

Children's Miracle Network

“Children’s Miracle Network’s mission is to generate funds and awareness programs in partnership with and for the benefit of member hospitals/foundations and the children they are privileged to serve.”

Project Ideas

- Balloon Release
- Toy Drive
- Carnival
- Bake Sale
- Spend time with kids at Hospitals

Any money towards CMN really helps. Most of the services from CMN are done for free. Think of clever ways to raise money for Children’s Miracle Network!

ICON: Be There

The Convention will start July 1st and end the 4th, but Montana's tour will run from June 24th to July 7th. Various activities are planned for along the way, which include: visiting the Carlsbad Caverns, white water rafting, Elich Gardens, Six Flags, and Waterworld. If you're interested in reserving a spot on the bus please see the Montana Key Club Website (mtkeyclub.org) or e-mail eleland@mtkeyclub.org.
