

# Division 8 December Newsletter

Hey again everyone and happy holidays! I hope it's been a great season for y'all and that you've enjoyed the past few service months as much as I have. As for announcements it's pretty laid back this month, but I wanted to share some project ideas that the Eureka Club has had fun with.

As always, if you have any questions or need to contact me, you can reach me at [mtkeyclubltg08@gmail.com](mailto:mtkeyclubltg08@gmail.com) or 1-406-890-9645

## Club Visitations:

I'd like to come by and visit your clubs for a meeting one of these days, so if you'd be able to send me a date and time for when I could visit your club, I'll be there!

Scrapbooks: There hasn't been a District Convention in a few years, but it's a longstanding Key Club tradition and competition to bring a scrapbook documenting each club's service season for everyone to see, and it's tons of fun to put together!

Monthly Service Features: The Eureka Club has two projects underway for the month of December that've been a blast to be a part of! The cookie delivery project, where the club made treats to deliver to people in the community without nearby family, and sponsoring a family in need to provide Christmas presents and stockings for them.

Polson Key Club held their Winter Wonderland dance fundraiser for charities and DCON in addition to ringing bells for the Salvation Army! They also did an amazing job selling candy bags to raise money for Cradle Boxes to send to St. Joseph's Hospital for all the new babies born there. I'm so excited to see and hear about all the progress, keep up the great work guys!

DCON: While the Montana District of Key Club doesn't have a set date for DCON yet this year, we know it'll be held in Billings and will cost in the neighborhood of \$300 per person. This'll be the first District Convention held in person for years, so I'd strongly encourage everyone to go, see what it's like, and meet fellow Key Clubbers from around the state!

That's all for this month folks, contact me soon with dates and times I can visit your clubs and have a merry Christmas!
