# 200 for \$20

AIDSPIRIT  
campaign for  
the next  
generation is  
asking 200  
people just like  
you to donate  
\$20 a month

We recognize that while **large donations** are truly a blessing and continue to support our mission, it **isn't always realistic** for the average household or young adult.

Ideal for students and club members

Your donation automatically enrolls you as a member.
