Halloween is always a fun time of year with costume parties, movies, and more spooky fun. But for Key Clubbers like us, it's about so much more.

This year, the funds you raise will be going towards Start Strong: Zambia. More can be found on the Montana Key Club website.

While trick or treating this year, ask if people would like to donate to UNICEF! Physical boxes are not printed this year, but money can still be collected in canisters or in your own creative ways! Online donations are always welcome!

The United Nations Children's Fund provides aid to children worldwide. UNICEF is present within 190 countries and territories, providing children with the assistance they need. There are always children in crisis, UNICEF has helped save more children's lives than any other humanitarian organization. UNICEF has also been a long time partner with Key Club International. Since 1994, KCI has raised over \$5 million for UNICEF.
