# CLUB ADVERTISING CREDIT CALCULATION WORKSHEET

KEY CLUB OF \_\_\_\_\_

Member Name	Amount of Advertising Sold	Credit to apply to DCON Reg.

- The credit amount to apply for registration is based on the dollar amount of ads the student has sold. (Example sold \$150 in ads means they have a credit of \$150 and would be responsible for the remaining registration cost.)
- Business cards are acceptable for advertisements, but it is suggested that they have a high contrast between light and dark areas. If contrast is low, legibility may suffer.
- Ads can be emailed from sponsors directly to [vpachl@milescity.k12.mt.us](mailto:vpachl@milescity.k12.mt.us) Be sure to note in the subject line "DCON 2026 AD". It would also be helpful if the student's name of who sold the ad accompanied the ad proof.
