October

COMPETITIONS

Introducing Mon-Key Competitions!

Every Mon-Key there will be a new club and single competition listed on the competitions page. There will also be the previous month's winners showcase on the next page.

October Competitions

Club- Gather your club and have everyone dress up in their halloween costumes. Spread the spooky season spirit!

Single- Write a short story about one of your funiest events during a key club activity. Whether its a crazy story about a elderly gentlemen or something crazy!

Submit your entry to mtkeyclubbulletineditor@gmail.com by the 25th of the month.

Competition winners!

No one Sumitted entrys for October. Check again next month!

WAY!

60

30

From September to November, join your sponsoring Kiwanis Club for their meeting! Check the Kiwanis district website for when meetings are held for your town.

This is meant to foster connection within the K-Family! Leading up to YC, become involved with them to help each other out.

Submit your attendance to MT Key Club Governor Aspen Probert via email or the district Instagram.

HOW MANY KIWANIS MEETINGS CAN YOUR CLUB ATTEND BEFORE YC? LET'S BUILD THE KEY CLUB SPIRIT!!!

What type of mustache does a bicycle have?

A handlebar!

GOVERNERS PROJECT

2026-2027

Elderly Isolation!!

What's the goal for this year?

- 75% (29 clubs) of clubs district wide contribute 50 hours per club
  - Ex. One hour per member is one hour added

What is a Governors Project?

- A project that the Governor chooses for the district to work towards as a whole

What are we helping?

- Reducing loneliness and isolation among senior citizens by creating meaningful connections between Key Club members and seniors in their communities.

How can we help?

- Visiting nursing homes/assisted living facilities and doing activities with them or spending time with them
- Find elderly in your community who live alone at home and visit them
- Help elderly with chores (raking leaves, washing dishes, taking out their trash, etc.)
- Fundraise and donate to local senior citizen organizations
- Make and or deliver meals to those isolated at home

This months division spotlights!

Division 2

Great Falls High

Their October service project was at Jordan's Pumpkins outside of Vaughn! They helped the farm harvest the pumpkins, then handed the pumpkins out to community members. They had 12 members help out, and the project took place over the course of two days!

Division 4

Skyview High

Skyview made cookies for teachers at Bitterroot Elementary on September 21st!

Fifteen Key clubbers from Skyview attended.

Division 5

Sidney

This club has made and hosted a Sidney Golf Scramble, The Color Run, The Out of Darkness Walk, and The Elk's Banquet. Most of their club members have been helping serve at Pella Church's Wednesday night dinners and in October will help St. Matthew's Friday breakfast. They also aid in weekly recycling at the high school and have a once a month activity with K-Kids at Boys and Girls Club: This month they raked leaves and cleaned a local part to prepare for their homecoming, as well as assisting in decorating Homecoming prom rooms.

Bonus: The Terry and Miles City clubs got together on the 27th for the installation for their officers!

Division 6

Bozeman High

The Bozeman High School Key Club made dog bandanas for the local animal shelter this month! We did it during our meeting on the 15th! We had 18 members participate in the craft.

Division 8

Eureka

In the month of September a service project we did was a highway trash pickup. We did this on the 26th along Highway 37. What we did was walk down the road picking up trash along the way. Excluding our 2 advisors that went there were 8 members! In total we picked up around 9 bags of trash from 2 miles of road.

DISTRICT GOALS

Increase the number of general reports by 50% from the baseline 2025-2026 by the end of the 2026-2027 service year.

Strengthen Leadership Capacity throughout Montana Key Club

-Improve meeting structure

-Revitalize Key Club spirit

-Maintain Board connection with individual clubs

3. 5% growth in membership and growth in district event attendance (YC/DCON)

75% of clubs district wide contribute 50 hours per club toward the Governors Project

2026-2027 THEME!

HELPING HEARTS STAY AFLOAT

OCEAN/UNDER THE SEA!

Division Themes:

(DOOR & COSTUME DECOR ONLY!!!)

- 1,3,7 – Surfing/Sailing
- 5 – Deep Sea/ Glow in the Dark
- 4,6 – Mermaids and Pirates
- 2,8 – Coral Reef
