BUT FIRST...

**Let's get to
know each other**

With all expenses payed for, where in the world would you travel to and what is one thing you would do there?

WHAT IS THE THIRST PROJECT?

The Thirst Project is the Largest Youth Organization that helps give families access to clean drinking water.

VISION OF THE THIRST PROJECT

The Thirst Project wants people, especially kids, to spread awareness of the situation, because we are the next generation to make a difference.

CURRENT PROJECTS

The Thirst Project is currently serving in the Country of Uganda where they have been on a mission to continue their activity for the last 10 years! They are continuing their support to eSwatini, Swaziland, south of Uganda, until they reach 100% coverage.

PROJECTS CONT.

They also continue their mission for clean drinking water in El Salvador and Kenya. Every community that they touch, they impact thousands of people lives for the better.

WHAT CAN WE DO

One of the best ways we as students can help is through spreading awareness through word of mouth and social media. You and your school/ Key Club could put together a fundraiser as well.
